FEAST OF TABERNACLES

2014 U.S. AND CARIBBEAN HOUSING INFORMATION
Welcome to the Feast of Tabernacles
2014 U.S. and Caribbean Housing Information

With the Feast of Tabernacles just around the corner, we know that many in the Church are anxious to procure accommodations that will meet their needs. Since we spend a lot of time in our accommodations during the time we are at the Feast—not only to sleep, but to entertain, fellowship and spend time with the family—it is little wonder why this aspect of Festival planning is so important to us all!

Knowing this, the Feast coordinators make it a high priority to consider and select the properties listed in this housing brochure. In doing so, we strive to consider quality, price and variety of housing types to help make your Feast enjoyable.

Each year the Church evaluates the quality and value of the accommodations we offered the previous Feast by reviewing the housing surveys for that site. We then make any needed adjustments to the housing listed in order to ensure the best possible facilities for Church members. As an example, you may find a few new housing properties listed this year, and you may find that some properties of the past are no longer listed.

As you and your family prepare to select and reserve housing for 2014, we recommend that you first review the available housing at the site you will be attending. We have listed websites for most of the housing establishments so you can preview the facility before making your reservations and avoid unpleasant surprises. We again want to emphasize the need for our members to use the housing establishments that are listing in the brochure, as this has an impact on prices and our ability to maintain use of the meeting facility at each site!

As you make your housing arrangements, please remember these important reminders:

1. In general, please do not attempt to make reservations prior to the opening day and time for reservations, which is May 19 at 10 a.m. in the time zone of the site you are attending. The establishments have been asked to not accept reservations prior to the agreed-upon time.

2. Those with disabilities, health problems or other special needs that require specific types of facilities may make early housing reservations beginning May 6. (Check with your local Feast adviser for guidelines.) Several sites require a password in order to make early reservations.

3. When making your reservations, identify yourself as a member of the “Church of God, a Worldwide Association, Feast of Tabernacles.” Be sure to give your arrival and departure dates and be prepared to pay a deposit. Don’t forget to ask for a confirmation number.

4. Please take notice of the maximum number of occupants allowed in a room and do not exceed that number. Reserving a room for four people and then putting six to seven people in the room is not allowed, as it causes extra work for the housekeeping staff and violates the agreements we have made.

5. Make only one housing reservation at one Feast site. Making duplicate reservations blocks housing from others looking for housing. If your plans to attend that site change, be sure to cancel your housing reservations as soon as possible to free up housing.

Festival Planning Team
Frequently asked questions

Q. What if I can’t find housing that fills my needs?
A. There may be cases—such as when traveling with pets or needing four or more bedrooms to accommodate a very large family—when what’s available on the Festival housing site will not fit your needs. We realize that there may be situations where a person needs to go elsewhere to find housing.

Q. What if I can find cheaper housing elsewhere—such as online?
A. It may be possible to find cheaper housing online at times. For instance, an individual wanting to rent out his privately owned condo may offer it for less than the condos we list in the brochure. However, members should realize that the quality and cleanliness of these properties may or may not be as good as what we list. In some cases, booking privately can require a weekend-to-weekend stay, which may cost more in the long run. There are a few hotels that offer “come-on” rates that are cheaper, but what you get may be an inferior or smaller room. We encourage you to use housing that is listed in the housing brochure for several reasons.

Q. What are the benefits to using housing from the housing guide?
A. First, the quality and price are assured. Each year we check out and examine some rooms at each establishment we use to ensure quality, cleanliness and price.
As well, many of our meeting facilities require us to book a certain number of rooms in order to use the meeting hall or to get a reasonable rate for the meeting facility. Members patronizing these hotels or housing facilities get a good price, help us fulfill our commitment and, in some cases, help the Church to incur a lower cost for the meeting facility. In fact, we have come close to losing some sites because not enough people stayed in the host establishment. Hotels and resorts make most of their money on services and amenities rather than the rent of meeting space. If we utilize their meeting space but not their rooms, their costs increase and/or they do not welcome us back!

On top of that, utilizing and reserving a property from the housing list generally ensures that at the place you’ll stay there will be other Church brethren with whom you can get acquainted and spend time.

And finally, securing your accommodations from the COGWA Feast housing list means the Church can assist you in resolving any potential difficulties you run into with your housing. This has proven to be a real advantage to our members.

Q. Why aren’t there more campgrounds listed in the brochure? We like to camp at the Feast.
A. While very few members camp anymore during the Feast, those who do are acquainted with such and are free to choose an appropriate campground. The Church does not generally list them because of the limited requests and because we don’t use enough to negotiate a discounted rate for members. If there are no campgrounds listed for the site you will attend, feel free to select any campground in the area.
Thanks very much for working together as God’s people in making this the “best Feast ever!”
New this year, in the southeastern United States we will hold the Feast in Orange Beach, Alabama, located on the Gulf Coast at the Florida-Alabama state line. We are excited about this new destination, which is home to several miles of the most beautiful beaches in the United States. According to the U.S. Census Bureau, the city has a total area of 11.4 square miles, 10.4 square miles of which is land and 1 square mile of which is water.

Orange Beach offers a wide selection of family beach vacation opportunities—from condos directly on the beach to just across the street, golf course condo communities, beach houses and everything in between.

We will be meeting at the Orange Beach Event Center (10 minutes from the beach), which is located in a district called the Wharf. The Wharf is an entertainment and shopping district that is home to a marina, condominiums, stores, restaurants, an amphitheater, movie theaters and a water park.

Located 10 minutes northwest of the Wharf is the town of Foley, Alabama, which offers a large outlet mall, many additional restaurants and some excellent economy-priced housing as well.

Orange Beach is sure to have something for everyone with its pristine beaches, numerous housing options, shopping, eating, entertainment options and attractive weather. We anticipate it will be our largest Feast site this year.

**St. Peter Barbados**

The Feast venue for Barbados this year is Almond Beach Resort, Heywoods, St. Peter, Barbados ([almondbarbados.com](http://almondbarbados.com)).  
Almond Beach Resort is an affordable, family-friendly, all-inclusive property on the prestigious West Coast of Barbados. The “all-inclusive” feature includes all meals, snacks and drinks at their two restaurants and bars, all day and into the late evening, as well as exchange dining at the Sugar Cane Club’s La Salsa restaurant. The resort sits on a lovely one-kilometer (half-mile) stretch of calm, beautiful beach in Heywoods, St. Peter. It is located only 30 minutes from the capital, Bridgetown, and 45 minutes from Grantley Adams International Airport.  
The resort’s 135 rooms, restaurants, conference center and facilities are located in the southern section of the former Almond Beach Village. Sun Group Hotels recently renovated the property, updating and refreshing room blocks, dining areas, pools and children’s areas for its reopening as a four-star standard. A soft opening took place on Jan. 16, 2014. Renovations to the conference center will be completed in the spring.  
The run-of-the-house rates are US$168 per person per night for single occupancy and US$128 per person per night based on double occupancy. Other rates are as follows:  
- Infant (0-2 years)  Free  
- Child (3-12 years)  US$45  
- Teen (13-16 years)  US$60  
- Extra adult  US$80

We will once again be observing the Feast of Tabernacles in Rocklin, California, an energetic and growing, family-oriented community nestled in the foothills of the Sierra Nevada Mountains. Located off I-80 northeast of Sacramento, 30 minutes from downtown or the Sacramento International Airport, Rocklin is within easy driving range of Lake Tahoe, San Francisco or the Napa Valley wine country (all less than two hours away).

Nearby attractions include Old Sacramento with its highly rated train museum; the State Capitol; the Gold Rush Trail, featuring numerous historic towns and mining-related activities; the American River and Folsom Lake; a variety of vineyards and orchards; plus a range of excellent restaurants, shopping venues and family attractions (miniature golf, go-karts, ice- and roller-skating, bouncing and trampolining complexes, climbing walls, hiking and river rafting, to name a few).

Many reasonably priced suite hotels (most featuring kitchens and including hot breakfasts) are available nearby.

Located in a quiet residential setting, services will be held at the Rocklin Event Center, which offers an attractive and airy auditorium capable of seating over 400. With seating at round tables for over 70, a glass wall opening to a lovely terrace and garden, and an adjacent commercial kitchen allowing us to serve an array of food at substantial savings, the center’s Sunset Room became a popular gathering place for daily fellowship and refreshments before and after services last year!

A recent remodel will give us access to a teen game room and additional restrooms and meeting space this year.

Steamboat Springs
Colorado

Nestled at 6,700 feet next to the Park Range in the upper Yampa River Valley, the town of Steamboat Springs offers a number of attributes attractive to Feastgoers.

Steamboat Springs features restaurants in every price range. Some of these are high-end. Recreational opportunities abound: hiking, fishing (including guided trips), hot air ballooning, rock climbing, ice-skating, golf, miniature golf, horseback riding and ATV riding, to name a few. An excellent hiking and biking trail runs along the Yampa River. Some of the better attractions to visit are Fish Creek Falls, Old Town Hot Springs and three nearby state parks (Steamboat Lake, Stagecoach Lake and Pearl Lake).

While other housing options will be available, we hope most attendees will consider using our host hotel, the Steamboat Sheraton, as their accommodation of choice for their own convenience and for the advantage it affords the Church in cost and future negotiations. Services will be held in the ballroom beginning Wednesday night, Oct. 8, at 7:30 p.m.

The beauty and tranquility of the Ozark hills have beckoned visitors for over 100 years. Harold Wright’s book *Shepherd of the Hills*, which later became a movie, increased the interest. The warmth and friendliness of the people make folks feel at home. Overlay that warmth and tranquility with a vibrant area like Branson, and you have a wonderful location for the Feast of Tabernacles.

Beautiful mountain and lake settings, live music shows, and shopping at Branson Landing or the outlet malls are only a few of the attractions. There are also six golf courses, seven or eight zip-line/adventure tours, plus numerous miniature golf courses and go-kart tracks for the younger ages.

Whether you are active or want to simply relax in the midst of God’s creation, Branson has something to attract everyone. We offer a full range of economical housing, ranging from motels to first-class hotels and from cabins and houses to condos.

Services will once again be held at the White House Theatre, which offers a state-of-the-art theater with a separate section in the theater for families with children, so they can be comfortable and still be part of the service.

Daytime temperatures are generally in the 60s to low 70s, and nighttime temperatures are about 45 to 55.

Lake Harmony
Pennsylvania

“The Pocono Mountains are famous not only for their natural scenic beauty, but for the variety of activities available to visitors. … Lake Harmony promises a true Pennsylvania mountain experience” (tripadvisor.com).

There are a variety of on-location indoor activities, such as a pool, water park (“H2ooohh!”), arcade, bowling, fitness center, basketball, tennis and billiards. There are also enjoyable outdoor options, such as paddle boats, miniature golf, a 27-hole golf course, Segway rentals, volleyball, softball and a playground. These help provide a fun-filled Family Day.

Nearby family attractions include the Boulder Field at Hickory Run State Park and the historic town of Jim Thorpe. And about two hours away are several tourist attractions, such as the Amish tours of Lancaster, Pennsylvania; Independence Hall in Philadelphia; and the Empire State Building in New York City.

An assortment of very good restaurants is located in surrounding communities. For your dining convenience, the Galleria hotel has a restaurant, pizzeria and ice cream parlor. Church services are held in the Galleria. For more information, see splitrockresort.com.

Arguably, one of the prettiest states east of the Mississippi is Tennessee. Nestled in the foothills of the Smoky Mountains is the town of Pigeon Forge. For the past two years, Pigeon Forge has been the largest Feast site in the U.S. We’re expecting it to be one of the larger sites again this year.

With the Feast of Tabernacles taking place in October, you’ll be able to enjoy the beautiful fall colors from a number of hiking trails within a short distance of downtown. The Little Pigeon River flows right out of the Great Smoky Mountain National Forest through the middle of Pigeon Forge. Quality family time, good family entertainment, a wide selection of restaurants and plenty of shopping are just some of the reasons you’ll love Pigeon Forge.

The area is known for its many crafts stores, its wonderful musicians and its countless go-kart tracks and miniature golf courses. Additionally, in neighboring Gatlinburg you and your family can take in Ripley’s Aquarium of the Smokies.

Bruce Gore

The seven Smoky Mountain Resort properties (All Season Suites, Country Cascades, Creekstone Inn, Governor’s Inn, Ramada Inn, Rodeway Inn and Resort at Governor’s Crossing) are tied in with the convention center where we will be holding services. Each room we book with one of these properties lowers the cost of the hall rental for the Pigeon Forge Feast site.

We want you to select the housing that best suits your family, whether it is a part of this group or not; however, we did want you to know how these particular properties are tied together and how booking your accommodations with them can benefit the Church. If you can’t find what you need from our list, you can find additional condo housing by doing your own online search.

Galveston
Texas

The city of Galveston will be the new site for the Feast of Tabernacles in Texas in 2014. This city, which covers two islands, is just a 50-minute drive south of Houston. Much of the area has been rebuilt following Hurricane Ike in 2008.

The Galveston Island Convention Center is where services will be held. This modern facility sits on Galveston’s famous Seawall Boulevard overlooking the Gulf of Mexico. The beautifully appointed convention center has wireless Internet. It also provides complimentary shuttle service to and from contracted hotels as well as free, on-site parking.

More than 2,100 guest rooms are located within two miles of the convention center. The rooms range from hotel rooms to condos and are available at all price levels. As for recreation, outdoor activities include boating, fishing, golf and surfing.

The Galveston.com website recommends a number of attractions for visitors, including The Grand 1894 Opera House, ranked among the nation’s finest historical theaters; Harbor Tours, offering dolphin watching; Moody Gardens, featuring a 1.5 million-gallon aquarium pyramid, a 3-D IMAX theater, tropical rainforest pyramid and a Ridefilm Theater; and the new, year-round Schlitterbahn Waterpark, the first facility of its kind and a wonderful family destination.
